

International Journal of Environmental Science and Development

CONTENTS

Volume 8, Number 3, March 2017

• Sustainable Development

Hybrid Power Generation as an Environmental Friendly Energy Supply Solution for Remote Area in Indonesia
.....159

Burhanuddin Halimi

Development of Ecological Scour Protection Technique with Non-toxic Materials and Examination of Field
Application.....164

Hong-Kyu Ahn, Sang-Hoon Lee, and Min-Kyu Ji

The Production of Fuel Oil by Conventional Slow Pyrolysis Using Plastic Waste from a Municipal Landfill
.....168

Chumsanti Santaweesuk and Adun Janyalertadun

Landscape Restoration and Rehabilitation: A Geocultural Design Approach.....174

Lino Bianco

Application of Sustainable Construction Materials for Urban Slum Houses.....182

R. V. Ralegaonkar, H. R. Gavali, V. V. Sakhare, A. Puppala, and P. B. Aswath

Develop a Scenario for Da Nang as a Low Carbon City.....187

Hoa Thai Nguyen

Statistical Analysis of Crop Production Sustainability in India: A Micro Level Study.....191

Varinderpal Kaur

• Wastewater Treatment

Investigation of Adsorption Characteristics of an Engineered Adsorbent for Removal of Hexavalent Chromium
from Aqueous Solutions.....195

Yogesh C. Sharma, Elham Jalilnejad, and Sofia Yarusova

Biodegradation of Phenolic Hydrocarbon Waste Using Bacterial Consortium from Cattle Rumen.....200

Ibnu Maulana, Heri Hermansyah, Arina Shallyta, and Hanif Yuliani

The Removal of Cd(II) by Using Local Materials for the Improvement of Quality of Life.....204

Chinnawat Satsananan

• Environmental Monitoring and Assessment

Direct Impacts of Global Climate Change on Urban Areas.....208

Roberto San Jos é Juan L. Pérez, Libia Pérez, Julia Pecci, Antonio Garzón, and Marino Palacios

Pesticide Burden in Women from Jaipur in Relation to Ethnicity, Religion and Addiction Habit.....216

Mamta Sharma and Pradeep Bhatnagar

Determination of Ammonium and Nitrate Ions on Degraded Peat Soil by Termites Activities in Tanjung Leban, Bengkalis Regency.....221
Sofia Anita, Fransisca, and Tengku Ariful Amri

• **Environment and Health**

Bridging Instruction, Research and Community Involvement — Health, Environment Awareness Lecture Caravan — San Beda College Manila, Philippines.....225
Liwayway H. Acero

Self-perceived Incentives and Disincentives of Untreated Waste Water Irrigation in Vegetables in Peri-Urban Areas of Pakistan.....231
Muhammad Luqman, Rahman Shoukat, Xu Shiwei, Yu Wen, and Muhammad Yaseen
